Dear Mr. O'Connor:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. I observed lunch, story time, and outdoor play.

Consultation was provided regarding having children assist with cleaning and sanitizing tables. As well as requesting a variance for a program director that is working on completing the requirements to become approvable.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (989) 590-0191.
