Dear Ms. Nault:

This letter is to advise you that the 04/12/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8110(4): Applicant; licensee; licensee designee; requirements.	The licensing notebook summary sheet was incomplete. One date was written on it from 2014. Reports and corrective action plans need to be found in the book and organized.	The licensing notebook has been updated and will be maintained.	4/12/22
R 400.8143(1): Children's records.	Of the ten child information records reviewed, seven of them were missing some information.	Emergency cards have been corrected and will be reviewed 2-3 times annually.	4/12/22

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
