RE: License #: DC020370909
Little People's Daycare

Dear Ms. Johnson:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 12/14/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the inspection, I observed infants being held and fed, lunch preparation and service, and children engaged in developmentally appropriate free play. The center has had many updates completed and is a safe and clean environment for children. Staff members have completed all required health and safety training.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Anne O'Neill".
