Dear Kathryn Nyberg,

This letter is to advise you that the 2/28/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.8131(12)	One child care staff member did not complete the 2023 health and safety refresher course.	Health & Safety refresher has been completed. We have added the annual refresher to our professional development plans each year to be completed in the month of March.	2/12/24
R 400.8143(3)	Immunization records were not on file for two enrolled preschoolers.	Parents have submitted their immunization records. Any student who has not submitted them is ineligible to attend until records are received.	2/9/24

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
