Dear Josephina Draper,

This letter is to advise you that the 5/17/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8152(5)	One child's asthma inhaler expired in November of 2023.	The program director/licensee designee asked parent to supply a current inhaler. In the future, staff will check and make note of expiration dates on medications at the start of the year and get them replaced prior to expiration through the school year.	5/20/24
R 400.8152(9)	Documentation of nebulizer and asthma inhaler treatments were missing the amount of medication given, the time it was given, and the signature of the child care staff member administering the medication.	All child care staff will document when medication is being given. The child care staff member administering the medication will complete all required information on the medication	5/14/2024

		<p>administration permission form as required. The child care staff member giving the medication will sign the medication permission form once the medication is completely given.</p>

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
