Dear Ms. Draper:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 12/02/2020 and 12/08/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the onsite inspections, I observed preschool and school age children engaging in fun learning activities and transitioning to outdoor play. Child care staff provided supportive guidance and appropriate supervision of children throughout both inspection periods.

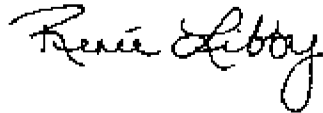

<b>During calendar year 2019:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (231) 922-5309

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
