Dear Mrs. Kandal:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 01/07/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During the inspection I observed lunch time, transition to rest time, rest time, and personal care of children. The children were very orderly and obviously knew the structure of the day as transition from lunch to nap was very smooth.

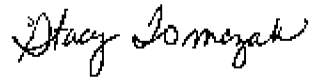

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 989-732-8062.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
