Dear Ms. Thompson:

This letter is to advise you that the 7/20/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8161(3) Emergency procedures.	On the day of the inspection the school-age program was using the gym. Emergency plans and an evacuation diagram were not posted in this room.	A portable trifold board with the written emergency procedures and evacuation diagram was made and will be taken into the gym when this room is used.	7/20/22

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.
