Dear Mr./Ms. Robinson:

This letter is to advise you that the 06/29/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
8125(1)	Appropriate care and supervision were not provided when Child C was injured on two separate occasions when she fell off a toy and knocked out a tooth and when she pulled a bookshelf down and received stitches.	Staff were trained on re-direction and safety requirements. We have since removed all shelving units that have the ability to be tipped over.	4/18/- 4/29/2022
8158(3)	Child A's Mother reported that Child C received stitches on one occasion and had a tooth knocked out on another occasion from injuries that occurred at the center. Ms. Robinson did not report the injuries to the department.	Mary Robinson has read through the rule and am going to report any major injuries that happen at the center.	4/15/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517)284-9730.
