Dear Ms. Legner:

This letter is to advise you that the 05/11/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8122 (2)(b) Lead caregiver; qualifications; responsibilities.	The lead caregivers are working four ten-hour days and there is not a lead caregiver on the day that the lead is not working.	Another lead caregiver will be hired to cover leads days off.	7/01/2022
R 400.8128 Staff; volunteer; tuberculosis.	Two child care staff for the GSRP classroom did not have verification that they were free from communicable tb before employment.	All staff and long-term volunteers will provide verification that they are free from communicable tb. One staff has provided verification. The other staff will submit by 5/20/22	5/20/22 and ongoing
R 400.8143 (11) Children's records.	The GSRP classroom did not have attendance recorded accurately for the day of the inspection.	Staff will maintain accurate daily attendance that includes arrival and departure times.	5/11/22
R 400.8385 Poisonous or toxic materials.	In the GSRP classroom Goo Gone and an all-purpose cleaner were stored under the sink that was not locked and accessible to children.	Poisonous and toxic materials will be stored in a locked cabinet.	5/11/22 and daily monitoring
