RE: License #: DC090367095
Linwood Early Childhood Program
517 W Center Street
Linwood, MI 48634

Dear Mr. Sanford:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 10/12/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

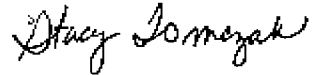

As a result of the inspection, I did not find any rule or law violations. The children were playing outside during the inspection. The group appeared to be playing very well together and there were no issues or arguments observed. After outdoor play, the children returned to their room and washed their hands for snack. The children followed their routine well with very little guidance from the staff.
