Dear Mrs. Colberg:

This letter is to advise you that the 03/30/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8167 (3) Indoor space.	Ms. Colberg rearranged the toddler area so that she could have eight toddlers. She did not request a modification prior to doing this.	Ms. Colberg will request a modification for the revised space	4/1/2023
R 400.8170 (11) Outdoor play area.	Ms. Colberg added a blue and yellow climber and did not have it inspected.	Ms. Colberg will not allow children to play on climber until it is inspected by certified playground inspector.	4/1/23

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (989) 732-8062.
