R 400.8176 (8)	A 3-month-old child was swaddled. There was no documentation from a health care provider.	No child over the age of 8 weeks will be swaddled unless parent provides documentation from a health care provider that special sleeping instructions are needed due to health or special needs.	Completed
R 400.8330 (2)	The center requires parents provide formula or breast milk for infants. There was not a written agreement signed by parents on file.	Written agreements will be on file for infants who are providing formula or breastmilk for their children.	9/30/22
R 400.8330 (24)(c)	Child Care Staff Members were not sitting and eating with toddlers during snack or lunch.	Staff will sit with the toddlers and eat snacks and meals with them.	Completed
R 400.8335 (5)	The center had powdered formula for two infants.	Sent parent provided formula containers home with them. If needed, they will provide ready to serve formula.	Completed

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
