Dear Ms. Hull:

This letter is to advise you that the 06/27/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1) Staff; volunteer; requirements.	The child care staff failed to provide appropriate care and supervision by allowing Child A and Child B to have inappropriate contact underneath a blanket in the classroom.	Blankets will only be allowed in the classroom during nap time on individual cots. Child Care staff have moved furniture to allow for increased visibility and will assure that they are placed in the room to maintain constant supervision of whole classroom.	Completed and ongoing.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
