Dear Mrs. Weeks:

This letter is to advise you that the 11/06/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

The posted emergency plans do not include all requirements such as, relocation site is missing address, reunification plan does not include how parents will be notified, 2 and medical conditions must be addressed if child has an emergency medication (EPI PEN).	All plans updated to reflect relocation address, reunification plan, and medical concerns.	Immediately

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
