RE: License #: DC130021903
Presbyterian Center For Children
200 W Mansion
Marshall, MI 49068

Dear Ms. Hollister:

This letter is to advise you that the 05/16/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8134(2)(e) Hand Washing.	During the onsite inspection, I observed a child care staff member changing diapers of several children and failing to wash her hands between changes.	All staff will be properly retrained on hand washing and diapering protocols. Monitored by weekly checks.	5/19/2023
R 400.8134(3)(b) Hand Washing.	During the onsite inspection, I observed a child care staff member failing to wash their hands between diaper changes.	All staff will be properly retrained on hand washing and diapering protocols. Monitored by weekly checks	5/19/2023
R 400.8137(1) Diapering; toileting.	During the onsite inspection, I observed a child care staff member	All staff will be properly retrained on diapering protocols. Monitored by weekly checks to	5/19/2023

	failing to clean the diapering station after each diaper change. Must use a wash, rinse, and sanitize process.	assure 3 step process is being used.	
R 400.8330(22) Food services and nutrition; generally.	During the onsite inspection, children had bottles and other beverage containers with them in on their sleeping equipment.	All staff properly trained on sleeping protocols with drinking containers. All drinking containers will remain in a designated area-will assure space is created for this purpose.	5/19/2023
R 400.8330(23) Food services and nutrition; generally.	During the onsite inspection, children were walking around the classroom with beverage containers.	All rooms will have a designated area for drinking containers and trained on not allowing children to walk around with drinks. Will monitor.	5/19/2023
R 400.8340(3) Food services and nutrition; provided by parents.	Bottles and food furnished in same day supply were not labeled and dated with the child's first and last name. This includes baby food and lunch bags.	All staff and families will have a refresher about labeling all same day with name and date. Monitored by staff.	5/5/2023
R 400.8340(8) Food services and nutrition; provided by parents.	Multi-day food items in the infant room were not labeled with the child's first and last name and the date of opening.	All staff and families will have a refresher about labeling all multi day containers with name and date opened. Monitored by staff.	5/5/2023
R 400.8550(5) Electrical service.	Outlets in the Kangaroo classroom were accessible to children.	All outlets covered and will be monitored to assure covers are in place.	4/26/2023
R 400.8170(11) Outdoor play area.	The child care facility has been using a newly installed playground equipment but does not have a playground inspection on file approving the equipment or area.	The child care will have a playground inspection completed on playground area.	5/18/2023
R 400.8131(12) Professional development requirements.	Child care staff members have not completed the required health and safety refreshers for 2021 or 2022.	All staff will complete required refresher trainings and ongoing will monitor to assure they are completed as required.	5/22/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
