**III. DESCRIPTION OF FINDINGS & CONCLUSIONS**

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

<b>R 400.8330</b>	<b>Food services and nutrition generally.</b>
	<b>(14) Warming bottles and beverage containers in a microwave oven or a crockpot is prohibited.</b>
A crockpot is being used to heat bottles in the infant room.	
<b>R 400.8510</b>	<b>Plans and specifications; submission; approval; inspections.</b>
	<b>(3) A fire safety inspection shall be conducted by the bureau of fire services or a department-approved qualified fire inspector, and an approval granted, before issuance of the original license and every 4 years thereafter, at the time of renewal.</b>
The center did not have an updated fire inspection completed for renewal. The last inspection was completed 12/2017 and must be completed every 4 years at renewal.	
<b>R 400.8550</b>	<b>Electrical service.</b>
	<b>(1) The electrical service shall be maintained in a safe condition.</b>
There were electrical outlets in the EC 1 and multi-purpose rooms that had pieces of the plate missing.	

A corrective action plan was requested and approved on 01/11/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

#### IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
