Dear Mr. Curth:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/11/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the inspection there were 6 children present and 1 staff member. I reviewed the emergency procedures and crisis management plan, children’s records, and staff records (including staff training). During the inspection, I observed children arrive and go get books on the large group circle rug. The licensee designee, Ms. Grooters, is also the lead teacher. Ms. Grooters was responsive to the children and encouraged their conversation.

As a result of the inspection, I did not find any rule or law violations.

<b>During calendar year 2022:</b>	<b>Total</b>
