Dear Ms. Scott-Kronemeyer:

This letter is to advise you that the 03/23/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143(1) Children's records.	I reviewed 5 child information cards for classroom 14 and the following information was missing: (5) date of admission, (4) mother and or father's employer and or employer telephone number, (2) physician telephone number, (1) allergies/special needs/special instructions and (3) permission for emergency medical treatment.	Missing information has been corrected.	03/17/2023

R 400.8146(2) Information provided to parents.	There was no documentation of written information packet on file for the children enrolled in classroom 16.	Documentation will be on file.	03/17/2023
R 400.8315(1) Food and equipment storage.	There was no thermometer in the classroom 14 fridge.	Thermometer was placed in fridge.	03/20/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
