Dear Ms. Thomas:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 06/06/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the inspection, I observed a well-equipped and organized classroom. Postings were up to date and met requirements. Staff members were completing end of the school year paperwork. Technical assistance was provided to assist in updating the licensing notebook with the 2021 licensing renewal report.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Anne O'Neill". The signature is written in a cursive, flowing style.
