RE: License #: DC190082956
St. Peter Lutheran Church Preschool
8990 Church Rd
St Johns, MI 48879

Dear Mr. Weismantel:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 04/28/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

When I arrived for the onsite inspection two child care staff members were providing care for five children. Staff and children were gathered at a table with Play dough. Children transitioned to the rug where Pastor talked and taught children songs. After Pastor exited the classroom, children lined up to go to the gymnasium for reading buddies.

The classroom is well organized and inviting. The center has a sufficient amount of developmentally appropriate equipment for the children to choose from. Child care staff converse with children providing a positive learning environment.

As a result of the inspection, I did not find any rule or law violations.

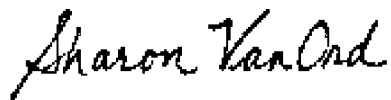

During calendar year 20210:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
