Dear Mr. Gnegy:

This letter is to advise you that the 06/17/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125	Required written statement for PSOR, which prohibits anyone registered from having contact with any child in care was missing.	Handbook and postings will include a statement that any staff or volunteer registered on the Public Sex Offender Registry (PSOR) is prohibited from having contact with any child in care.	Immediately
R 400.8161	Children with chronic medical conditions was not addressed on the emergency procedures.	Emergency procedures will be updated to include accommodations for any child with chronic medical conditions.	07/01/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
