Dear Ms. Cowan:

This letter is to advise you that the 02/28/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|------------------|---|--|----------------------|
| R 400.8335(8)(a) | Two gallons of milk opened on 02/28/2022 were not labeled with date opened. | Staff wrote dates on opened gallons of milk. | 02/28/2022 |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
