Dear Ms. Bradbury:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/24/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

Upon arriving at the child care center, I observed children having free choice play. Children were playing in the maze that was set up in the classroom. There were other centers set up around the classroom with children playing at the tables. I also observed toileting and hand washing. After all children used the bathroom and washed hands, the children lined up and departed on a field trip to the kindergarten classroom. During the inspection I reviewed child and staff files.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
