Dear Ms. Bodkin:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 09/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During my onsite inspection, I observed free play and large group time. Interactions between child care staff members and child care children were positive.

Technical assistance was provided in regard to rule, 400.8182(3)(c), ratio and group size requirements for children aged 3 years and older. This program utilizes parent volunteers who meet the licensing definition of supervised volunteers. Supervised volunteers do not count in ratio. Unsupervised volunteers can count towards ratio as long as they meet the definitions of a child care staff member, which was explained.

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
