Dear Ms. Cleeves:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 11/28/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the onsite inspection, I observed outdoor play, transitions, lunch, large group, and free play. I observed the child care staff members getting down on the level of the children, playing with them, and staying consistently verbally engaged with children. I observed child care staff members reminding children of rules, assisting with conflict resolution, and ensuring safety was maintained. The interactions were positive and nurturing.

I reviewed the following rules with Ms. Cleeves:  
R 400.8143: Children’s records  
R 400.8340: Food service and nutrition; provided by parents  
R 400.8380: Maintenance of premises
