Dear Ms. Simmons:

This letter is to advise you that the 06/29/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
400.8176(1) Sleeping equipment.	Multiple nap mats in the preschool classroom were observed having tears and holes through them.	Ms. Simmons has made an order for replacement mats on 06/30/2022. She will ensure nap mats are checked for holes and tears periodically.	06/30/2022
400.8340(3) Food services and nutrition; provided by parents.	Lunch boxes in the toddler and preschool classrooms were missing first names, last names and dates.	Ms. Simmons has addressed this requirement with child care staff members and all lunch boxes have been labeled. Child care staff members will ensure lunches are labeled upon the child's arrival.	06/30/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
