Dear Ms.Dionise-Kurdonowicz:

This letter is to advise you that the 09/01/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
722.155m(2) Child care center, group child care home, or family child care home requirements for licensure.	CCSM 1 and CCSM 2 were found not to be conducive when CCSM 1 left prescription medication within reach of a child and the child placed it in his mouth. CCSM 2 observed the medication and did not remove it from the classroom.	A new medication policy outlining guidelines and protocols for storage was developed and given to child care staff members and placed in staff handbook. Staff signature is required on documentation after review. CCSM 1 and CCSM 2 employment was terminated on 8/24/23.	08/30/2023
R400.8125(1) Staff; volunteer; requirements	CCSM 1 and CCSM 2 did not provide appropriate care and supervision. CCSM 1 left her medication	Training material was provided to child care staff members on providing appropriate supervision. CCSM 1 and CCSM	08/03/2023

	on the desk in the classroom accessible to children. CCSM 2 observed the medication and pushed it to the back of the desk and did not remove it from the classroom. A child put the medication in his mouth and threw it out on the gymnasium floor while children were playing.	2's employment was terminated on 8-24-23	
R400.8155(1)(b) Child accidents and incidents; child and staff illness.	The child care center did not have a policy for how parents would be notified of an incident.	A plan will be made with child care staff members if administration or child care staff members should inform the families of an incident.	Ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
