Dear Ms. Dixon:

This letter is to advise you that the 07/29/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed confirming letter, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8840(6)	On 07/14/2022, I received an incident report stating a three-year-old male fell while using a splash pad at the center resulting in a concussion. Ms. Dixon provided pictures of the splash pad which showed that it holds water which prohibits the use of it at the center.	Ms. Dixon reported that the program director will immediately remove the splash pad from the center, and it will no longer be used. To maintain compliance, the program director will ensure any added water related equipment is approved for use with licensing to ensure compliance.	07/18/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (231) 922-5309.

Sincerely,
