Dear Caitlin Nathan,

This letter is to advise you that the 12/13/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8385	Three hand sanitizer containers were within reach and accessible to children. One was on the low child sized table, the second container was sitting on the edge of the counter by the sink, the third container was sitting on the edge of the shelf near the teacher administrative area.	A lead teacher removed all sanitizers from the reach and accessibility of children. Program director will review with staff areas to keep hand sanitizer (cabinet or shelf higher than the reach of children).	12-13-2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
