Dear Ms. Downs:

This letter is to advise you that the 08/19/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|---|---|--|-----------------------|
| R 400.125(1) Staff; volunteer; requirements. | On May 13, 2022, Child A was not provided appropriate care and supervision. | All staff were re-trained on child safety with opening or closing any door or cupboard. They are not to ever use their foot to kick a door shut. They should say the child's name and redirect the child from there. | 8/18/2022 and ongoing |

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#)

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Gundry".
