Dear Ms. Gunn:

This letter is to advise you that the 12/20/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8335(8)(a) Food services and nutrition; provided by center.	On December 20, 2022, I observed a couple opened milk containers that were not labeled with the date of opening.	Program Director Brooke Gunn stated that she will remind staff to immediately label the milk once opened	December 20, 2022, and ongoing
R 400. 8380(4) Maintenance of Premises.	During the inspection, I observed several of the ceiling tiles throughout the center that had evidence of previous water damage. In addition, there was flaking paint on the walls in some of the classrooms where they needed to patch/repair.	Ms. Gunn agreed to have these spots repaired as well by January 25, 2023.	January 25, 2023, and ongoing

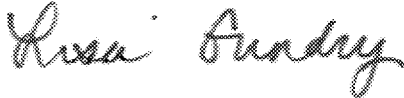

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Gundry".
