Dear Mr. Kumar:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

(b) The individual has been informed of the center's policies on child abuse and neglect.

(c) The individual knows that all staff and volunteers are required by law to immediately report suspected abuse and neglect to children's protective services.

At the time of the onsite inspection, the center did not have a copy of the statement including the above information signed by child care staff member (CCSM) Christine Flynn.

R 400.8131 Professional development requirements.

(12) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

At the time of onsite inspection, program directors Renee Arnott and Alicia Maurer did not take the 2021 MiRegistry refresher course; CCSM Kelly Gardy did not take the 2021 MiRegistry refresher course; Ms. Flynn did not take the 2020 or 2021 MiRegistry refresher courses. I sent Mr. Kumar the links to these courses.
