RE: License #: DC250067838
**Southern Lakes Head Start
2100 W Thompson Rd
Fenton, MI 48430**

Dear Ms. Webb:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 01/10/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

The facility is non-operational this school year. On January 10, 2023, I observed that the classroom is not completely set up; some equipment has been moved to another classroom. Prior to resuming operation at this building, head start will inform the department for an onsite inspection.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
