Dear Ms. Hill:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 11/04/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

*Children in care were not present at the time of the onsite inspection.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (810) 787-7031.

Sincerely,

A handwritten signature in black ink that reads "Catherine Edgar". The script is cursive and fluid, with the first name and last name clearly legible.
