Dear Ms. Matlock:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 01/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

During the inspection, I provided Ms. Hammond technical assistance and consultation on the following items:

- Comfortable seating in all infant/toddler rooms
- Updated recall list (emailed during onsite)
- Documenting primary caregiver. This was being done onsite, but not every room was doing this consistently

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
