### Findings of the Inspection

**Purpose of Addendum:** The licensee requested to add a school age room for the summer program, and to increase the capacity to utilize the gymnasium all day.

**Findings and Conclusions:** I recommend the addition of the school age room and increasing the capacity to 180.

If you have questions regarding the report, please contact licensing consultant, Lisa Gundry at (810) 931-1220 or gundryl@michigan.gov. In the event that Lisa Gundry is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

<b>Description of Facility</b>
The facility is located inside a church in a residential neighborhood.

### Approved Child Use Space

The licensee/ licensee designee understands that the ratio of child care staff member to children and the maximum group size is determined by the youngest child in the room. Equipment in the room must be appropriate for the ages of the children in the room.
