Dear Dr. Summey:

This letter is to advise you that the corrective action plan dated 02/27/2023 that you submitted on 03/13/3023, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8335(1) Food services and nutrition; provided by center.	I observed whole milk served to children with snack in unit 5.	Brooke Unger informed the school's kitchen director that only unflavored low-fat milk shall be served to preschool-aged children. The child care staff members have been trained to notify the kitchen if they are accidentally served the incorrect milk.	02/27/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730

Sincerely,
