Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

The facility is in compliance with all applicable rules and statutes.

At the time of the inspection, I gave Ms. Matlock consultation on Rule R400.8110(11) regarding training records being retained for the past two full calendar years. All staff medical records will be retained until after they have left the center.

IV. RECOMMENDATION
