Dear Dr. Summey:

This letter is to advise you that the 06/05/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

R 400.8315(1) Food and equipment storage.	Upon my arrival at the center, the thermometer in the refrigerator in one of the rooms indicated a temperature of 50 degrees Fahrenheit. I notified a child care staff member who immediately lowered the temperature of the refrigerator. Prior to leaving the center, I re-checked the thermometer, and it continued to indicate a	The center will ensure that all staff continue to monitor and record the temperature in the refrigerator throughout the day. They will make necessary adjustments as needed, to ensure the thermometer registers at 41 degrees Fahrenheit minimally.	05/31/2023

	temperature of 50 degrees Fahrenheit.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
