Dear Kelli Webb,

This letter is to advise you that the 02/20/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|-----------------|--|---|---|
| R 400.8188(3) | At the time of the onsite inspection, Child A (age 11 months) was observed asleep on a cot with a blanket. | Classroom staff reminded of appropriate practice same day as incident and action plan for performance improvement initiated for both classroom staff. | Safe Sleep training to be completed by classroom staff and all staff to be reminded at March 1 staff meeting. |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
