Dear Ms. Webb:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 03/01/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

- On March 1, 2022, I provided technical assistance to Cindy Hoover, Education Coordinator, regarding missing allergy/special needs information on child information cards.

As a result of the inspection, I did not find any rule or law violations.
