Dear Simone Culley,

This letter is to advise you that the 3/12/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8137(8)	During the inspection, I observed a staff member use the same gloves while diapering three children. I explained the rule requirements when using disposal gloves.	Ms. Forsythe agreed to follow all required rules with using gloves	Immediately and ongoing
R 400.8340(3)	At the time of the inspection, the parent provided lunches were not labeled with the date. The children's first names were on the lunch boxes.	Ms. Forsythe agreed to immediately start dating the lunches and following all requirements	Immediately and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services.
