You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143(6)(b)	Child A's physical was past 30 days after her initial attendance.	Staff will ensure all enrolled children have their medical documentation.	Immediately and ongoing.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
