Dear Ms. Horton:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

I observed children who were napping, engaged in free play, sensory learning, outside for gross motor skills. The caregivers were kind and nurturing and children appeared happy.
