Dear Ms. Kelly:

This letter is to advise you that the 02/04/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1) Staff; volunteer; requirements	The center did not provide appropriate care and supervision when Child A obtained a scald burn on his neck when a bowl of 158 degree Fahrenheit water was accessible and spilled on him.	The water coolers/heaters were removed from the classrooms and child care staff members are using bleach solution and water to sanitize pacifiers. Child care staff members have been re-trained on supervision policies. Program director Lesley Kelly monitors this on a weekly basis.	Immediately/ 01/13/2021

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (810) 787-7031.
