RE: License # DC250409057  
**Kreative Kidz Zone Learning Center**  
**6054 S. Saginaw St**  
**Grand Blanc, MI 48439**

Dear Ms Keels:

This letter is a follow-up to the on-site inspection conducted at your center on \*\*/\*\*/\*\*\*\*. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of the onsite inspection the following rule violation(s) were found:

**R400.8182(3)(c)(d) Ratio and group size requirements**

**(3) In each room or well-defined space, the maximum group size and ratio of child care staff members to children, including children related to a staff member or the licensee, must be as shown in Table 4:**

**(c) Preschoolers, 3 years of age until 4 years of age 1 to 10 30**

**(d) Preschoolers, 4 years of age until school-age 1 to 12 36**

**Repeat violation Confirming letter 05/03/2022**

There were 25 children between two staff members. Staff members indicated the 7 youngest were with one child care staff member (in ratio for that staff and group of 7), and the remaining 18 were with the other staff member. It appeared they were fluidly together. Even if the children were separated into two separate groups, the staff member with 18 kids is over ratio.

You have submitted an acceptable written corrective action plan covering the violations cited.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

**Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.**

Sincerely,
