Dear Ms. Cole:

This letter is a follow-up to the on-site inspection conducted at your center on 08/05/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

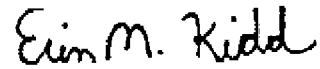

- On August 8, 2022, I provided technical assistance to April Cole, license designee, regarding the installation of the new infant/toddler playground. The equipment can not be utilized until a playground inspection has been completed. I provided technical assistance regarding the requirement of daily outdoor play for all children, including infants, licensing rule 400.8170(3).

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).
