Dear Ms. Breakie,

This letter is to advise you that the 6/12/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Case Complaint, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

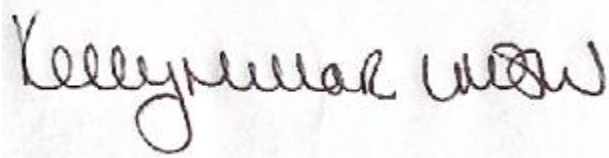

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8158(3)	The PD did not notify the department within 24 hours of an incident which a child sought medical treatment.	Licensee/PD will ensure incident reports are completed by notifying the department within 24 hours.	6/12/2024
R 400.8125(1)	The staff on the playground were not properly supervising children in care and a child was injured by a rock being thrown at her. The play area has multiple rocks which are easily accessible to children and strewn throughout the play area and parking lot where children play.	Licensee/PD will ensure all child care staff are appropriately supervising children while in their care. Staff will complete an active supervision training and notify consultant when it is completed.	7/11/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
