Dear Ms. Stout:

This letter is to advise you that the 08/08/2023 corrective action plan you submitted in response to the Renewal Licensing Study Report, is not approved for the following reasons:

Your plans do not include how compliance will be maintained. Further the plan for R400.8510(5) and R400.8510(6) does not include how the licensee plans to achieve or maintain compliance.

You have 5 working days from receipt of this letter to submit a revised corrective action plan regarding the violation of each rule listed in the report. Failure to submit an acceptable corrective action plan may result in disciplinary action.

The Bureau provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
